June Health and Well-being day

On 7th June – 14Forty arranged a visit from the ESS Support Services Warwickshire to promote healthy eating.

We had the pleasure of meeting Lisa Marie Huggins from [Compass Group UK & Ireland](#) who offered us the opportunity to blend our own smoothie via bicycle power. We had a fruit blast! Thanks for the fun and informative nutritional advice

Coventry Employment Success

We are delighted to announce that **Sophie Greathead, Exhall Grange Intern** has been offered full time employment within the OD Team at Cadent.

Sophie Greathead has been in placement with the HR team based at ABC for over 20 weeks. During this time she has provided an invaluable administration service.

“Sophie has come on leaps and bounds. We as a department are very impressed with Sophie’s ability to organise, and her willingness to start to help other departments in formulating order (stationary duties etc). This I am sure will have alleviated some of the pressure from the wider HR team”
