A key priority for the Government is to close the gap in attainment between those from less well-off and more affluent backgrounds and to ensure every young person participates in and benefits from a place in 16 to 19 education or training.

The 16-19 Bursary Fund targets support towards the most financially disadvantaged 16 to 19 year olds – those who most need help with the costs of staying on.

Exhall Grange Specialist School will determine the eligibility criteria for discretionary bursaries and the frequency of and conditions for payments for all awards. The 16-19 Bursary will only be awarded to a student that is eligible and facing genuine financial barriers to participating.

Eligibility

To be eligible to receive a 16-19 Bursary in the 2020-2021 academic year, the student must be aged 16 or over and under 19 on 31st August 2020.

Students must also satisfy the residency criteria set out in EFA* Funding Guidance. (*A person on 1 September 2020 who is settled in the UK and has been ordinarily resident in the UK and Islands for three years preceding the 1 September 2020*). If you are in any doubt, please speak with the Assistant Headteacher – Post 16.

Students should be participating in provision that is subject to inspection by a public body that assures quality and funded within the relevant guidelines. (Attendance at Exhall Grange Specialist School meets the criteria.)
