

Warwickshire Book Awards Competition 1

Poem about the shortlisting of the books that were chosen

We began with 10 of them,

But now there's only 4.

Taken from all four corners,

Of the book world.

Secrets and spelling errors,

Laughter and terror.

Women and men too,

Teens and younger.

Summerland looking dark and dismal,

Whilst That Asian Kid looks somewhat cheerful.

Run Rebel seems to act so fast paced but,

Is there any hope inside of Bearmouth?

There may be less of them to choose from,

But to me the choice is far from over!

Which one I should decide,

I'll never know.

I just hope it hasn't ended,

By the time I finally start.
