Dear Parents/Carers,

As we reach the end of a very difficult, unpredictable and at times a very emotional year, I want to say a huge thank you for all of your support and belief in us.

No one has come through this year unscathed, but the resilience our pupils have shown has been second to none.

There have been so many changes forced upon us which have caused much anxiety and pupils have not necessarily liked them, but have understood why we have had to make them and have walked the path with us.

As from September, there will be more changes to go through with everyone and we have been directed to set up our test site once more for two tests within the first week, for all of our pupils who have given their consent. I will of course send out all details in a separate letter.

As we have to make more changes and as our new Year 7 group have been unable to have a proper transition day, we are going to have a staggered start to the new year.

On Monday 6th September, we expect the following students to attend school – the whole of Primary, the whole of Post 16 and Year 7 only. Year 8, 9, 10 and 11 will join us on Tuesday 7th September when the school will be open to all our pupils.

Further details of all easing of restrictions will be shared with you during the summer break.

In the meantime, thank you once again for all of your support and I hope you have a wonderful summer break.

Yours sincerely

Mrs Christine Marshall
Headteacher
