Dear Primary,

It is always an exciting but sad day at the end of the school year. It is exciting because we have a lovely long summer holiday, but sad because we say goodbye to our school friends, teachers and support staff.

I wanted to write to you, because I want you to know how proud I am of you all. It has been a very difficult year for everyone, but you have coped with everything so well.

You worked hard during lockdown when you had to stay at home and not see your friends.

You took on board all of the changes we had to make when you came back and even if you didn't like them, you understood why we had to make them.

Because you have had to manage these difficult times, they have helped you to grow stronger and at the very end of this year I want to say thank you for being your best self !

Have a lovely summer break and I look forward to seeing you all in September.

With very best wishes from

Mrs Marshall  
Headteacher
