

EXHALL GRANGE SPECIALIST SCHOOL

Our Ref : HS/pk

7 March 2022

Dear Parents/Carers,

You, like us, will undoubtedly be watching the events in Ukraine unfold with horror. We know that the impact on the Ukrainian people will be devastating and potentially long lasting.

Many Ukrainians have left their homes and fled to safety with nothing but the clothes they are wearing. Others have stayed and have sustained injuries and are in need of medical supplies. Whatever the circumstances Ukrainian citizens now find themselves in, they need our help.

From Wednesday 9 March, we will begin collecting the items below. We are asking you to please do as you have done countless times before and support us by donating as generously as you can. Children can bring donations to school from Wednesday 9 until Monday 14 March and they will be sorted and prepared, ready to be transported.

In addition to making your own donations, we would very much appreciate you spreading the word to friends, family, neighbours and colleagues and let them know they can donate by bringing items to main reception or passing them on to yourselves.

Let us once again show the strength of our community as we reach out to the people of Ukraine to let them know we are supporting them.

The items needed are :-

Baby food
Nappies
Baby clothes
Bandages
First aid kits
Sleeping bags
Hats (new if possible)
Gloves (new if possible)
Socks (new if possible)
Personal hygiene items (tooth brushes, toothpaste, shower gel, female sanitary items)
Hand sanitiser
Food with long expiry dates

With thanks for your continued support.

Best wishes,

Helen Seickell
Deputy Headteacher
