Dear Parents/Carers,

Exhall Grange Partnership with The Trussel Trust

We would like to announce that Exhall Grange Specialist School have recently become a partnered agency with The Trussel Trust organisation, which is a nationwide network of food banks providing emergency food and support to people facing hardship.

Food banks provide a minimum of three days' emergency food to people in crisis, alongside additional support. On completion of referral, the referee will be able to select the foodbank closest to the family home address for collection.

Moving forward, Exhall Grange Specialist School is acting as a point where you can request a referral if you are financially struggling and experiencing difficulties with day-to-day food supplies.

If you need a food referral, please contact our Pupil and Family Support Team and they will be happy to assist you during the term time.
