## Data Protection Complaint Handling Procedure

---

### 1. About this policy

This procedure explains how the school will handle complaints relating to the use of personal data, in line with:

- The Data Use and Access Act 2025
- UK GDPR
- Data Protection Act 2018

It ensures individuals can exercise their right to complain, and that complaints are handled fairly, promptly, and transparently.

### 2. Scope

This procedure applies to:

- Parents, carers, pupils, staff, governors and other individuals
- Complaints about how personal data is collected, used, shared, stored or retained by the school

This procedure does not replace the school's general complaints procedure but operates alongside it where a complaint concerns data protection.

### 3. How Individuals can Make a Complaint

Complaints can be made verbally or in writing. However, to help us understand your concern fully and to allow us to deal with your complaint promptly and effectively, we would encourage complaints to be made by completing our standard complaints form.

When making a complaint, please include:

- your name and contact details
- details of your concern or complaint
- any relevant dates or correspondence
- details of any actions you feel would resolve your complaint

Complaints should be sent to the school's Data Protection Lead [bosworth.k@exhallgrange.co.uk](mailto:bosworth.k@exhallgrange.co.uk) or our Data Protection Officer at [schooldpo@warwickshire.gov.uk](mailto:schooldpo@warwickshire.gov.uk).

### 4. Roles and Responsibilities

#### All Staff

- Must recognise data protection concerns
- Must immediately pass any data protection complaint or concern to the Data Protection Lead (DPL).

## Data Protection Complaint Handling Procedure

---

### **Data Protection Lead (DPL)**

- Logs and assesses complaints
- Leads investigations
- Coordinates responses
- Liaises with the Data Protection Officer (DPO), where applicable

### **Data Protection Officer (DPO)**

- Provides advice and oversight
- Supports complex cases
- Advises on ICO escalation risks

## **5. What Is a Data Protection Complaint?**

A complaint may include concerns about:

- Inaccurate personal data
- Unlawful or unfair processing
- Excessive data collection or retention
- Inappropriate data sharing
- Failure to respond properly to data protection requests
- Breaches of confidentiality

Complaints do not need to be labelled as “data protection complaints” to fall under this procedure.

## **6. Procedure Overview**

### **Step 1 – Receipt of Complaint**

- Any staff member receiving a data protection concern must:
  - Listen and acknowledge politely
  - If required, ask the individual to complete a complaint form
  - Notify the Data Protection Lead without delay
  - Avoid offering opinions or assurances

### **Step 2 – Logging and Initial Assessment**

- The DPL will:
  - Log the complaint in the data protection complaints log
  - If required, ask the individual to complete a complaint form
  - Confirm whether the issue relates to data protection
  - Identify any immediate risks (e.g. breach, safeguarding implications)
  - If any doubts over the complainant’s identity, request proof of ID

### **Step 3 – Acknowledgement**

- The school will:
  - Acknowledge receipt within 30 calendar days
  - Confirm the complaint is being investigated
  - Explain what will happen next and expected timescales

## Data Protection Complaint Handling Procedure

---

If the investigation cannot be completed within the agreed timeframe, the complainant will:

- Be informed of the delay
- Be given a revised response timeframe
- Receive updates as appropriate

### **Step 4 – Investigation**

- The DPL/insert relevant job role (with DPO support where needed) will:
  - Review relevant records, systems, and policies
  - Speak to staff involved
  - Assess compliance with UK Data Protection legislation
  - Identify whether remedial action is required

If it is deemed inappropriate for the DPL to manage a complaint relating to data protection, an alternative member of staff will be appointed to do so.

### **Step 5 – Outcome and Response**

- The school will issue a formal written response that:
  - Explains the outcome clearly and respectfully
  - Sets out any actions taken or planned
  - Confirms whether the complaint is upheld, partially upheld, or not upheld
  - Provides information about next steps and escalation routes

### **Step 6 – Right to Escalate**

- If the complainant remains dissatisfied, the response will clearly explain:
  - How to escalate the matter internally (if applicable)
  - Their right to complain to the Information Commissioner's Office (ICO)
  - How to contact the ICO

## **7. Record Keeping**

All data protection complaints and outcomes will be:

- Logged securely
- Retained in line with the school's retention schedule
- Used to identify trends and training needs

## **8. Review and Monitoring**

This procedure will be reviewed:

- Annually
- Following relevant legislative or ICO guidance changes
- Lessons learned will inform staff training and policy updates.
